

**I am starting at
Hook Infant
School.**

Hook Infant School

**There are four classes at Hook
Infant School. I will find out
which one I am in before I start.**

There are lots of things I can do inside the classroom.

I can go outside to learn as well.

**If I need the toilet I just need to
let an adult know.**

**Sometimes we go into the Hall
for PE. Sometimes we go outside.**

**We eat our lunch in the Hall.
There are lots of people to help
me and I can sit with other
children in my class.**

At the beginning of the day, I will come in through my classroom door and hang my coat on my peg. At the end of the day I will find my coat and then I will be collected from the classroom door.

It is fun at Hook Infant School. My teachers will help me learn while I play and I know I will be safe there. I can't wait to start school!
