D	Т	

- To learn how to join different materials, particularly fabrics.
- To test a range of materials to find out which is most suitable for a purpose.
- To reflect on their work and suggest adaptations to improve it.

#### At home you could:

- Practise simple sewing techniques.
- $\circ$  Get crafty! Make something and then evaluate, amend and improve it.

### **PSHE**

- Understand the importance of teamwork.
- Share and discuss special people in our lives.
- Listen to other people and understand other people have opinions.
- To explore our school values.

#### At home you could:

- Do something kind for someone else!
- Play a game and work as a team to complete it.

## Music

Following the Year 2 Charanga scheme of work for Music in Spring 2, the following objectives explored are:

- perform, listen to, review and evaluate music across a range of historical periods, genres, styles and traditions, including the works of the great composers and musicians
- learn to sing and to use their voices and have the opportunity to learn a musical instrument
- to explore pitch, duration, dynamics, tempo, timbre, texture, structure and appropriate musical notations.

#### At home you could:

- Listen to a range of music from different genres.
- Play with any instruments you may have at home.
